## SCHOOL NURSE DROP IN SESSION

**PLEASE NOTE THAT THE TIME HAS  
CHANGED TO 8.45AM  
TUESDAY 8TH MAY**

Last week our KS2 children started to learn how to play squash.

They first looked at the ABC fundamentals:

- A—Agility
- B—Balance
- C—Co-ordination

You may be wondering just how the children are going to play squash with limited wall space??? Well watch this space in the next coming weeks for our updates.

## Slip Slop Slap—Preparing for some sunshine!

Now that we have reached the summer term we need to really think about keeping our children 'sun safe'. The following outlines the measures we put in place to ensure your children are sun safe in school. Please make sure your children bring a hat, water bottle and suncream to school. Thank you!

### EDUCATION

Annually a special assembly will be dedicated to 'Sun Safety'. This will emphasise the 5 S's of Sun Safety

**SLIP on sun t-shirt to keep shoulders covered as they can easily burn**

**SLOP on SPF 30+ broad spectrum, 4 star + UVA sunscreen**

**SLAP on a broad brimmed hat the shades the face, neck and ears**

**SLIDE on quality wrap-around sunglasses**

**SHADE from the sun whenever possible, particularly between 11am-3pm**

At appropriate times during the year children will be reminded through our assemblies about 'How to be Sun Safe'.

- The curriculum for all year groups will include aspects of 'Sun Safety' annually.
- Parents and Guardians will be asked through letters/newsletters to support this policy by encouraging their children to adopt the Slip, Slop, Slap message and act as role models.
- Children will be encouraged to use the shaded areas of the school during playtimes.

### PROTECTION

#### Shade:

- The school playground has shade provided either by the school building, outdoor shelter trees and we have temporary structures i.e. gazebos, etc for use on sports days and other outdoor events.
- Children will be encouraged to use the shaded areas of the school during playtimes when appropriate.

#### Clothing:

- The children will be encouraged to wear clothes that provide good sun protection.
- The children will be provided supply themselves with legionnaire or bucket style hats to protect their face, ears and back of their neck. In Darling Class Mrs Bromwich has hats that the children can readily wear when they are outside. The hats will remain in school at all times (between March and end of September) and be easily accessible.

#### Sunscreen:

- Each pupil will be provided supply themselves with sunscreen (minimum SPF 30, 4 star UVA) to apply themselves when appropriate and used on or off site for any prolonged outdoor school related activities.

#### Drinking Water:

- Children are encouraged to increase their water intake in hot weather and are encouraged to drink water during break times and lunch times. Every child should bring a water bottle to school every day.

## Sweatshirt Mountain Piles

Each class seems to be growing their own sweatshirt 'Mountain Pile'.

Just last week after only 1 week back into the Term, 6 sweatshirts were left in Rhine and numerous in Amazon!

**Please make sure sweatshirts are named so that we can get them back to their rightful owners—Many thanks**

## Polite Parking Request—A Timely Reminder

**Parking:** This is always a problem outside school; the use of the school bus or shared lifts will greatly help. Please note that directly opposite the school is a passing bay, not a public lay-by, please do not park in this area as this causes a grid lock at peak times when the school bus is picking up.

**Farm Traffic**—travelling through the village. As the season changes, we see an increase in large farming vehicles moving through the village. Local Farmers have made a special request to ask parents **not to park around the bend in the road towards Bourverie Park**. When vehicles park on the bend, this leaves the gap too narrow for large vehicles to pass by. We have had many damaged wing mirrors over the years and we would like to warn parents of the likely outcome should you park in this area.

**May we remind you that our yellow zig zags are to be kept clear— No picking up, dropping off, or parking!**

However, as we do not have any blue bay markings, blue badge holders may park on the zigzags if their vehicles are not obstructing access or causing danger to pedestrians—this is advice that has been taken from the community officers.

As good neighbours, we would also ask for parents **not to block access to residents drive ways**, which causes upset and complaints.
