Site Security Review

Dear Parents,
As part of our regular site security review we request that **all pedestrians now use the pedestrian gate to gain entry and exit to the school site.** From Monday the double wooden gates will be used solely for vehicle access.

This decision is to ensure the safety of our children and I appreciate your understanding in this matter.

Please can you also remind your children that if they are coming early for Morning Drop Off children must come through the front door to sign in.
