May Day Bank Holiday
Just a reminder that next Monday – 6th May, is a Bank holiday and the school will be closed. We hope you have a lovely extended weekend.

Sporting Events

We have had some great sporting achievements recently and wish our teams the very best for these forthcoming competitions

Wednesday 8th May 2019

Regional Pop Lacrosse Tournament—Bath

Saturday 11th May 2019

The Small Schools Football and Netball Tournament—Venue Seagry School

Friday 17th May 2019

Cricket Tournament—Chippenham

Extra Curricular After School Clubs

All children who have applied for an extra curricular club have secured a place in their chosen clubs. If the club is fee paying please look out for payment items on your Parentpay account. Thank you

We have a Rags2Riches collection planned for Wednesday 22nd May. Bags will be sent home soon. Thank you!

Polite Parking Request—A Timely Reminder

Parking: This is always a problem outside school; the use of the school bus or shared lifts will greatly help. Please note that directly opposite the school is a passing bay, not a public lay-by, please do not park in this area as this causes a grid lock at peak times when the school bus is picking up.

Farm Traffic—travelling through the village. As the season changes, we see an increase in large farming vehicles moving through the village. Local Farmers have made a special request to ask parents **not to park around the bend in the road towards Bourverie Park**. When vehicles park on the bend, this leaves the gap too narrow for large vehicles to pass by. We have had many damaged wing mirrors over the years and we would like to warn parents of the likely outcome should you park in this area.

May we remind you that our yellow zig zags are to be kept clear— No picking up, dropping off, or parking!

However, as we do not have any blue bay markings, blue badge holders may park on the zigzags if their vehicles are not obstructing access or causing danger to pedestrians—this is advice that has been taken from the community officers.

As good neighbours, we would also ask for parents **not to block access to residents drive ways**, which causes upset and complaints.

Slip Slop Slap—Preparing for some sunshine!

Now that we have reached the summer term we need to really think about keeping our children 'sun safe'. The following outlines the measures we put in place to ensure your children are sun safe in school. Please make sure your children bring a hat, water bottle and suncream (clearly named please) to school. Thank you!

EDUCATION

Annually a special assembly will be dedicated to 'Sun Safety'. This will emphasise the 5 S's of Sun Safety

SLIP on sun t-shirt to keep shoulders covered as they can easily burn

SLOP on SPF 30+ broad spectrum, 4 star + UVA sunscreen

SLAP on a broad brimmed hat the shades the face, neck and ears

SLIDE on quality wrap-around sunglasses

SHADE from the sun whenever possible, particularly between 11am-3pm

At appropriate times during the year children will be reminded through our assemblies about 'How to be Sun Safe'.

- The curriculum for all year groups will include aspects of 'Sun Safety' annually.
- Parents and Guardians will be asked through letters/newsletters to support this policy by encouraging their children to adopt the Slip, Slop, Slap message and act as role models.
- Children will be encouraged to use the shaded areas of the school during playtimes.

PROTECTION

Shade:

- The school playground has shade provided either by the school building, outdoor shelter trees and we have temporary structures i.e. gazebos, etc for use on sports days and other outdoor events.
- Children will be encouraged to use the shaded areas of the school during playtimes when appropriate.

Clothing:

- The children will be encouraged to wear clothes that provide good sun protection.
- The children will be provided supply themselves with legionnaire or bucket style hats to protect their face, ears and back of their neck. In Darling Class Mrs Bromwich has hats that the children can readily wear when they are outside.

The hats will remain in school at all times (between March and end of September) and be easily accessible.

Sunscreen:

- Each pupil will be provided supply themselves with sunscreen (minimum SPF 30, 4 star UVA) to apply themselves when appropriate and used on or off site for any prolonged outdoor school related activities.

Drinking Water:

- Children are encouraged to increase their water intake in hot weather and are encouraged to drink water during break times and lunch times. Every child should bring a water bottle to school every day.

Community News

RMN Personal training and sports massage therapy

Working hand in hand
14 years of experience

Sports massage therapy

Can help with tightness in muscles, over training, injury prevention, rehabilitation and postural alignment.

If you're training hard or suffer from any of these, sports massage can really help.

In the comfort of your own home if preferred.

Personal training

No equipment required.

1-2-1 or small groups.

No travelling needed.

In the comfort of your own home.

Personal programmes

Specifically designed for your

Needs and wants.

Nutritional advice.
