### The Pattison Cup

This cup is awarded to a Year 5  
Fantastic attitude to learning  
Congratulations to  
Rowan Cole

Thank you to our  
team.

As we inch closer towards the end of term, on behalf of all Stanton St Quintin Team—staff, governors, children and parents - a massive thank you for your enthusiasm and tireless dedication in fundraising, which directly and positively impacts on our children's learning experiences at SSQ.

Education budgets, including our own, are so stretched. The need for careful and creative financial planning and expenditure is even greater than ever.

Whilst parents and children may not necessarily see this in terms of the provision and the quality of curricular opportunities available to our children, without FOSS support there would be many things that we would not be able to offer or provide from the Schools Delegated Budget as part of your child's primary education.

If you are able to join FOSS and/or offer to help at school and fundraising events. Please do so. This responsibility should not be left to a handful of parents. We are Stanton School and we have a collective responsibility as such.

Karen Winterburn

Please return a copy of your  
child's school report, completed  
and signed by Friday 19th July.

### Last Newsletter of the Year

I am sure you are aware that the school finishes for the Summer Break on Tuesday 23rd July. Children may be collected from 2.00pm.

Please make sure that all belongings are taken home— lunchboxes, pencil cases, water bottles, PE bags, coats, sweatshirts and wellingtons to mention just a few items! Anything left will be taken to the charity shop.

Teachers have, and will be sending some books and learning home but many books will be continued into the new academic year.

We wish those children who are leaving Stanton the very best of luck in their new adventures. It is always a pleasure to hear how you are getting on so please Keep In Touch.

It is also a time when we say Farewell and Bon Voyage to Miss Bubb and Mrs Boddington — they have been fantastic members of the Stanton Team and we will miss them very much—although we are very much looking forward to hearing of Mrs Boddington's adventures through Darling Class' learning.

### YOUNG VOICES SCHOOL TRIP EXPRESSION OF INTEREST FROM CHILDREN IN Y2 AND ABOVE.

Thank you to those who have already contacted us. As we begin to confirm numbers for this event, please can you confirm by the end of this term if your child would be interested in joining the Young Voices choir trip.

Currently we have 9 children who have expressed an interest. We currently seeking transport quotes but with such a small choir this would mean the cost per child is very expensive. A larger choir would equate to reduced transport costs.

The songs came through the post this week so we will be learning them from September—exciting times!

Where everybody matters

Preparing for the new school year.

If over the summer holiday you are purchasing new uniform and equipment please follow these top tips....

- Please refer to the [school's uniform policy](#). This can be found on our website or by clicking on the link.
- Name all school uniform items—t shirts, trousers, skirt and sweatshirts are often misplaced or jumbled up during PE times.
- Pencil Cases—these need to be able to fit in your child's drawer at the end of the day. If it is too big then we will ask for it to be left at home. No Sharpies please.

Other things to do...

- Register and complete the Summer Reading Challenge—this has already started but it is not too late to begin.
- Enjoy the sunshine (fingers crossed)  
Happy Holidays!
