Traffic congestion outside school

Traffic congestion outside school at the beginning and end of the day continues to be a safety concern for our school and local community. School transport pulls up outside the school gate on the yellow zig zag lines for pick up and drop off. At this time, this narrows the access of other vehicles passing through the village.

Having taken advice from Wiltshire Police they have recommended that we reiterate caution for all pedestrians and drivers at this busy time.

Please also, do not park in the lay-by opposite the school gate or in the turning area near the entrance to Stanton Hotel, as by doing this further restricts opportunities for vehicles to pass. Thank you for your support in this matter.

The weeks ahead.

Polite Parking Request

Parking: This is always a problem outside school; the use of the school bus or shared lifts will greatly help. **Please note that directly opposite the school is a passing bay, not a public lay-by, please do not park in this area** as this causes a grid lock at peak times when the school bus is picking up.

May we remind you that our **yellow zig zags are to be kept clear**— No picking up, dropping off, or parking! However, as we do not have any blue bay markings, blue badge holders may park on the zigzags if their vehicles are not obstructing access or causing danger to pedestrians—this is advice that has been taken from the community officers.

As good neighbours, we would also ask for parents **not to block access to residents drive ways**, which causes upset and complaints.
