

Year 1 and Year 2- Learning Activities for Foundation Subject Areas (1/6/20 - 21/6/20) **We'd love to see photos!**

PE/Getting Active: Set up an obstacle course outside.

Think about different obstacles that you could include and then challenge others in your home to complete the course whilst you time them.

Who was the fastest?

Can they beat their first time?

TOILET ROLL BUGS

DT: Mini-beast junk modelling.

Which mini-beast will you make and which materials will you select? Maybe you'll make a small army of ants or a collection of insects all wriggling around together! Find some ideas in these photos if you need inspiration.

ICT: Explore this great resource for teaching the key ICT skills required in KS1:

Music: BBC Bring the Noise!

<https://www.bbc.co.uk/teach/bringing-the-noise/eyfs-ks1-music-play-it-bring-the-noise/z4sq92p>

Follow this link to play 'Bring the Noise!' A hands-on experience where you can listen to music and learn about the different layers. You will also learn about the beat and be able to clap along. In the 'make some noise' area you can play instruments along to your chosen song.

'Far' and 'Take You Home' are very appropriate songs for this current time but you are free to explore all the songs available if you like!

Using the outdoor environment:

Practise your spellings outside using chalk, water on a paint brush, a stick in the mud or in any other way you can think of, other than using a piece of paper and pencil!

PSHE: What are you thankful for?

For a week, keep a 'Gratitude Diary', recording daily one thing that you are thankful for. You can present this in any way you like. You could even make a mini book as your 'Gratitude Diary'. Here are instructions for making a mini book-

How to Make a Mini Booklet from a Sheet of Paper
