| <p>A massive thank you to ALL the staff at Stanton. We feel very supported at home but are missing your smiling faces at school. We feel so lucky to be part of such a wonderful, supportive school community. Especially loving the videos phonics lessons!</p>  | <p>You clearly put a huge amount of work into each of the lessons and videos and that really translates into easy accessible and comprehensive learning.</p>  |
| <p>Seesaw seems user friendly and it is wonderful to see feedback from the staff quite quickly and to specific work submitted. It serves as an additional motivator to hear 'that is amazing work'. It feels as if there is more interactive work this time e.g. videos and games which increases engagement.</p> | <p>We have be SO impressed with the provision for The mixture of tasks/ video based learning is just right and enables us to support ... around our full time jobs. The level of challenge is correct and ... is enjoying the content. The support from her teachers is brilliant also..</p>  |
| <p>...loves seesaw. Loves getting feedback. Loves uploading the work, so much easier than being sent emails. As a parent I really appreciate everything you are doing, all the videos the teaching the preparation. I feel so supported compared so some friends of mine. Thank you!</p>                          | <p>Marking, feedback and encouragement is personalised, timely and full of genuine sentiment and warmth. It is so motivating. ... still feels like part of... Class and you really get a sense of the bond between pupil and teacher.. It's lovely that staff from around the school are getting involved too with content like assemblies.</p> |
| <p>I'd like to say THANK YOU to all the members of staff at SSQ, I know you are all working above and beyond the call of duty and it is very much</p>   | <p>In particular the video phonics lessons have been amazing. It was something I felt that I could not achieve in the last lockdown so this really has been a relief.</p>   |
