POLITE PLEA from the school kitchen and from Mrs Druce in the office.

Please keep an eye on your school meal balances in parentpay. We are unable to order meals with out payment in place.

If there are not sufficient funds to cover the cost of a school meal on the day of ordering Mrs Druce will be telephoning you to ask you to top up. This takes up unnecessary time and disturbs parents, so please keep balances topped up.

Many thanks

Brrrrr—it was chilly today at the woods!

With the first sign of snow this school year and the drop in temperature we certainly did feel the cold today at the woods. Even a little hot chocolate and biscuit couldn't warm us up!

On woods days please make sure your child comes into school with lots of layers. These trap in the air and act as insulators. Base layers and thermals if you have them, they are superb but again layer up. The same goes for socks, two thinner pairs are better than 1 fluffy chunky pair. Wellington Boots keep feet dry ish—as long as the puddles aren't too deep, but they don't necessarily keep feet warm. Gloves and hats are a must.

Next week Darling Class will be taking part in Small Woods (onsite) on Friday morning. This will mean normal school uniform for Thursday and coming in Woods clothes on Friday with School uniform to get changed into. We will remind the children but just to give you advanced notice.

The week ahead:

- Friday 15th. Wear blue—anti bullying week
