

Kim's Game – derived from Rudyard Kipling's story 'Kim', where the character Kim plays this game as part of his spy training, this game will help develop memory and concentration. Put 10 things from outside on a tray. Let your child look for 30 seconds and then cover with a tea towel. How many do they remember? Or take one item away, can they tell you which item it is?

KUW, CLL

Stick tower challenge – Can you build a stick tower strong enough to hold the weight of a bag of sugar?

CLL, KUW, Maths

Outdoor Planning Summer Week 1

Mini Bug Hotel– using part of a plastic bottle or milk bottle and objects from the garden, create a mini bug hotel. Check regularly to see what bugs have made it their home. Can you draw and label them?

KUW, CLL, Writing, Physical development.

Ribbon Stick – children find a stick as long as their arm. Cut a plastic bag into strips and attach them to the end of the stick with tape. Put on some music and enjoy the freedom of movement.

Expressive Art and Design, Exploring and using media and materials.

I spy – take your writing outdoors. Look all around you at the signs of Spring and write them in a sentence: 'I can see a yellow primrose'. Can you use your adjectives to describe what you can see?
