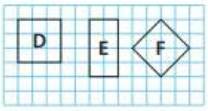
Y2 Maths Mastery- Additional Challenge (Week Commencing 27.4.20)

Mastery with Greater Depth

Captain Conjecture says, 'All of these shapes are rectangles because they have four sides.'

Do you agree?

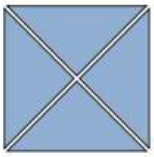


Explain your reasoning.

Children should appreciate that a square is a rectangle because it has 4 right angles and opposite sides are of equal length.

Mastery with Greater Depth

Cut a square piece of paper as shown. Rearrange the pieces to make different shapes. What different shapes can you make?



Describe the properties of the shapes you make.

Can you make some shapes which have at least one line of symmetry?
