

RE Lower Key Stage 2 - What is the Trinity? Becky Fisher 2020

Session 3 – Baptism

There are lots of video clips to watch today. Make sure you have time to talk about each one when it is finished and then compare what you learn at the end.

When Christians are baptised (or Christened), either as a baby or at any other time in their lives, they are baptised in the name of the Father, The Son and The Holy Spirit.

If you or your child were baptised you might like to get out the photos, candle and baptism certificate to talk about what happened on the day.

Babies are usually baptised in a font at church. Water is poured over their heads and the sign of the cross is made on their foreheads.

Adults are often baptised by going completely under the water, either in a big pool in church or outside in a river or pool.

Watch some video clips of infant baptism and believers baptisms. There is lots of useful information on this website if you want to explore further.

The lady in the clip at the bottom is called Becky – but it's not me!

Listen out for 'Father, Son and Holy Spirit' the Trinity.

Write about what you found interesting in the video clips.

Can you compare them with what you know about the baptism of Jesus?

We often say a prayer at the end of the baptism it is called The Grace

May the grace of our Lord Jesus Christ, the love of God and the fellowship of the Holy Spirit be with you now and always AMEN
