

Seeing sound and responding to music – provide your child with art materials (whatever you have available) and play a range of music for them to respond to with art.
CLL, Exploring and using media and materials.

Looking after baby - Talk to your child about what they were like as a baby and answer their questions. Allow them the chance to bathe a baby doll (or teddy) and talk about why babies need looking after.
CLL, KUW.

Outdoor Planning Summer Week 3

STEM Challenge – Spun sugar spider’s web – Can you create a spider’s web out of spun sugar that will hold the weight of a plastic spider (or 2 pence piece)?
Link: <https://www.twinkl.co.uk/resource/t-t-27063-spiders-web-stem-activity-and-prompt-card-pack>
KUW, CLL, Physical development.

Family Obstacle course – Take the lead from your child to create a family obstacle course using whatever you have available.
Physical development, CLL.

Fingerprint art– dip your finger into ink or paint and create your own fingerprint animals. Can you create a garden scene using your fingerprints?
Expressive Art and Design, Exploring and using media and materials.
