

**Water Gun Target Practice** – Create your own targets in the garden and practice aiming using water pistols.  
Physical development.

**Paper cup puppet** – This dancing robot is made from two paper cups. You can choose to paint and decorate it however you like. Instead of a lollipop stick you can use a stick from the garden and flowers and leaves instead of buttons and googly eyes.  
Imagination, art and design, physical development..

# Outdoor Planning Summer Week 4

**Sports Day Practise**

**Journey Stick** – Aboriginal people of Australia used to create journey sticks to record their travels and help them retell their stories to others. Before you begin your journey ask your child to choose a stick and wrap some elastic bands around it to make it easier for your child to attach their chosen items to.  
As you are walking together, think about the sounds you can hear, any thoughts and feelings, the landscape, animals and trees, the smells, The objects your child chooses to collect on their journey stick will help them to remember all of these things.  
PSE, KUW, CLL.
