Letters to read

Dates for your diary:

Wednesday 21st October—Half Term

Monday 2nd November Return to school for Term 2—

Have a wonderful half term!

Today we break up for the October Half term. School term resumes on Monday 2nd November.

There are a number of letters that will be attached with this weeks newsletter— a letter from the Local Authority regarding COVID and a letter from Mrs Matthews related to parents guide and access for Maths No Problem. This will be particularly important should there be a local or class bubble lockdown. If you haven't already please sign up for this access over half term.

Thank-you for your generosity in donations for our Harvest Festival.

Mrs Dallyn has very kindly offered to take produce to the Filling Station for us.

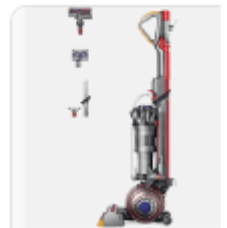

Thankfully the weather held off and we were able to hold our service outside and COVID safe.

Thank you also to Mrs Fisher to leading our service.

Brand New Dyson

Hi everyone. As you know our main fundraiser of the year is the summer Fete and due to Covid we were unable to run our usual raffle and our top prize of a Dyson Big Ball Animal 2 worth £299 – brand new and boxed. We wondered before we look further afield are there any parents or friends of parents or family that you know of that may be thinking about buying a new vacuum cleaner? If so we would love to give you a discount and sell it to you for only £200! All proceeds obviously going to the FOSS (Friends of Stanton School charity) and therefore ultimately benefit our children.

**Dyson UP24
Ball Animal 2
£299.00**

WhatsApp group for Stanton Parents:

Would you like to join the WhatsApp Parents group – we use it for information only and asking questions such as: When is non uniform day? Is the music teacher coming the last week of term? Is there a TD next month? You can ask us any questions and there's always someone who knows the answer. It's so useful, for example one parent last month notified us that the motorway was shut around pickup time which meant a whole load of extra traffic passing the school which impacted on some of us getting to school on time. If you would like to join please drop Sarah Robinson a text on 07595 163949 (Niah & Bonnies mum) who will get you added on. It's open to everyone 😊
