

Mrs. Sarah Matthews

I am married with two children and a handsome fox-red Labrador.

I enjoy walking, cycling, Pilates and reading. I like to go to the theatre to watch the ballet and enjoy going to the coast whenever I can.

Education

BSc (Hons) QTS NPQH

Having gained a degree in Education from Bath Spa University I began my teaching career in Wiltshire and have been teaching for over 20 years.

I have taught all age ranges in a variety of different types of school but soon realised my heart lies in the village school with its family ethos.

Why I became a teacher

I knew very early on that I wanted to be a teacher (just ask my younger brothers who were my first pupils!)

I have been inspired by my teachers over the years and always found working with children rewarding.

My role at Stanton

I am Head of School and I teach in Rhine Class two days of the week. This is the perfect combination for me as I love being with the children but also enjoy the challenge of leadership.

Maths is a passion of mine and I am known to use every opportunity to develop Maths in the wider context – The children call me Mrs 'Mathsews'!

Why I love working at Stanton

Stanton is a welcoming and happy school where every child is given amazing opportunities both inside and outside the classroom to learn and grow.

It is a privilege to be a part of a child's learning journey and at Stanton we pride ourselves on knowing each child well and creating an individual learning programmes where children thrive and are challenged to be their best.
