

Pupil Voice

We have sports leaders (The Sports Crew) within the student body who have a variety of roles within school. The Sports Crew support active sessions during lunchtime to engage children within different types of sports. They hold assemblies once every other term to talk to the children, receive feedback and reviews on how we can improve sporting activities. Sports leaders help to run activities for events such as Sport Relief and sport's day. Our sports leaders also support FOS events at Christmas and summer Fairs by running sporting stalls.

Roles include:

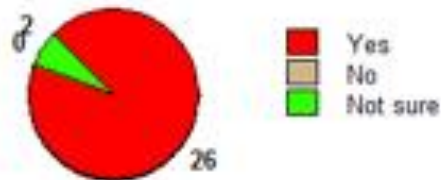

- Supporting learning in lessons with warm ups and demonstrations
- Help at Sports Day/Sporting events
- Assisting with running inter-school sporting events
- Arranging school teams to participate in sporting fixtures
- Lunchtime sporting engagement
- Gather feedback on how sporting activities can be improved
