Year 4 Multiplication Times Table Check

A reminder to Year 4 parents to continue supporting your child with their times tables practice. Over the next 2 weeks they will do their check.

We recommend using TimesTables.co.uk to keep practice engaging and consistent. Please also refer back to the email previously sent for full details, including key dates and ways you can support your child at home.

Reading

Reading is an incredibly important skill that feeds into every aspect of your child's education, prospects of success and future life. At Stanton St Quintin, books and reading are at the heart of our school, teaching and learning and it is our passion to instil a love for reading in every child. Please ensure you listen to your child read and record in their diary.

Pencil Cases

We provide the children with all the equipment they need. However they are able to bring in a SMALL pencil case with a pencil, pen (this should be blue ink, no biros are allowed), rubber, small ruler, pencil sharpener – NO SHARPIES or felt tip pens please. **All stationery should be named.**

Water bottle & Sun hat

It is very important that children are kept fuelled and hydrated throughout the day so your child will need a named water bottle in school every day, as well as a sun hat.
