Dear Rhine & Amazon Parents

PG Certificate DVD/Films - Permissions

There will be occasions during the academic year when we would like to watch a PG rated film/DVD. Many films suitable for this age range fall within PG certification. We are therefore writing to request permission to show PG rated films on appropriate occasions. We will of course have previewed the films to check that subject matter is suitable and that any issues raised would fall with in our Key Stage 2 remit.

For children in Rhine Class, we would like to show the DVD of Narnia on the coach transport to the Isle of Wight and will require 100% permissions in order for us to show this film.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Sarah Matthews
Class Teacher
